**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a resident of San Francisco city and am a happy subscriber to SONIC isp. I switched from AT&T last year for home internet because SONIC offered better prices, better speeds, and immensely more responsive customer service. I rely on SONIC as a part of my daily life, work and routine. I have a remote office and connect with colleagues across the globe and need the speeds and reliance that SONIC has provided. When I was a AT&T subscriber I had frequent outages and connection issues from the existing wiring in my building. AT&T would not resolve, and I switch to SONIC who laid new lines and which I have yet to have any issues.
